

MY DRAMA CLUB

Read the text and choose the correct word for each blank.

In my blog today, I'm going to tell you about the drama club I go to. I first found out (1) _____ it from a friend of mine. He recommended it to me around six months (2) _____ and I joined immediately.

I really love going because I think the teacher there is the (3) _____ amazing teacher ever! The activities we do in classes are really interesting and I'm getting so much better (4) _____ acting, thanks to all the things we do there. (5) _____ I got the chance, I'd really like to become a professional actor in the future, but I know (6) _____ difficult it can be to become successful. So many people want to become actors but very few actually achieve their dream.
