1. Identifica las partes que se indican en la imagen.

Símbolo

Nombre

Número
atómico

Masa
atómica

2. Identifica las partes de la tabla periódica.

The image displays a periodic table of elements, color-coded by groups. A large blue bracket on the left side groups the first two columns (Groups 1 and 2) together. The elements are arranged in rows and columns, with colors ranging from red for Group 1 to blue for Group 18. The lanthanide and actinide series are shown at the bottom in orange.
