You like (the) oranges and (the) apples	
I absolutely like/love (the) **Mexican food**	
I absolutely like/love (the) hamburgers	
A vegetable soup with bread and butter	
I like (the) **vegetable soup**	
You absolutely like/love (the) **orange juice**	
Of course (that) I like (the) apples	
I never eat **Chinese food** **(Chinese= China)**	
You always eat hamburgers with mayonnaise	
You like (the) vegetables? How nasty!	
I want a hamburger without cheese	
You want to share your sandwich with me?	
Everyday I eat cereal with milk
