

# TECHNOLOGY IN THE HOME

Read the text and choose the correct word for each blank.

There have been so many (1)\_\_\_\_\_ over the last twenty years or so that have had a(n) (2)\_\_\_\_\_ effect on our life. Take, smartphones, as an example. In fact, you could say that our lives have totally changed due to the internet and all the technology that has (3)\_\_\_\_\_ because of it. When you stop to think about it, how many hours a week do you sit at your computer typing on your keyboard? I think you would be (4)\_\_\_\_\_ at the amount of the time you spend using technology in the home.

People of all ages are beginning to (5)\_\_\_\_\_ on the internet for many different things and it is more than likely that you are spending two to three whole days a week doing some kind of activity online. Maybe it's time to turn off the computer and have a nice, face-to-face (6)\_\_\_\_\_ with your friends, family or colleagues.
