Select **WILL** or **GOING TO** from the following text:

Hi! My name is Alice and my big question is WHAT AM I **WILL / GOING TO DO** AFTER I GRADUATE? My sister thinks I **will / going to** be a good police officer if I do enough exercise. However, I don't think police officers are fit at all. My dream is to become an Olympic athlete but my friend and I promise we **will / are going to** go to the same university after we graduate but she **will / is going to** study medicine and I don't like it. I am definitely **won't / not going to** study hundreds of subjects about the human body!

My mom insists on her belief that I **will / am going to** be a lawyer just like her and my grandfather but I hate the idea of studying law as well. I am 100% sure that is not what I **will / am going to** do. My perfect plan after graduation is **will / going to** be visiting many places around the world but my dad says that **won't / is not going to** happen! I **will / am going to** study something and it is decided but... WHAT **WILL / AM I GOING TO DO?** Help!

Write something about...

- *Furute plans...*
- *Things you are deciding to do now...*
- *Promises you have made...*
- *Unlikely / Impossible things to happen...*
- *Things you are 100% sure...*
