Hi Maxine!

How are you? Are you enjoying your vacation? I'm having the most awesome time of my life here in Austria! I've seen some amazing cities and towns, I've climbed mountains and I've gone sailing. I'll show you my photos when I get back home.

Two weeks ago we were in the Tyrol. That's a part of Austria with a lot of high mountains. We stayed with some Austrian friends. They have a small house in a valley near a waterfall. It was very romantic! There wasn't any snow in the valleys, but there was a lot at the top of the mountains. I really want to come back here in the winter and go skiing.

Last week we were in Klagenfurt in the south of Austria. Klagenfurt is a small city on a lake, and the river Glan goes through it. There are forests on the hills around the city, and there are mountains a few kilometers away. We went sailing on the lake and I have to say, the water was very clean.

At the moment we're in Vienna. In my opinion, it's the most beautiful city in Europe. The buildings are amazing. The food here is very tasty, and we've eaten at some good restaurants. Mom loves the schnitzel, Dad loves the goulash and I love the cakes!

On Friday we're flying home, and I'll tell you all about it when I see you on Saturday.

Tricia!
