

Name: _____

Class: 4/ _____

Part 1

Read the sentences and match them with the correct pictures.

Example.	Bees fly from flower to flower, collecting nectar to make honey. They are small but very hardworking insects.
1.	The dinosaur had sharp teeth and a long tail. It used its strong arms to hunt for food.
2.	The museum was so much fun! We saw dinosaur bones and learned about animals that lived millions of years ago.
3.	The boat floated down the river, past the trees and mountains. The children enjoyed the beautiful view.
