Part 1

Put the sentences in the correct order.

Nowadays, most students have a smartphone.

They use Facebook application to share the photos with their Facebook friends.

Some students use the smartphones to contact their parents when they are going to be late from school.

They also use it to stay in touch with friends, discuss homework during the week or to search information for their homework.

They use it for searching an information, listening to music, playing games, checking emails, reading news, and chatting with friends.

Some use it as a camera to take selfies.
