

# WASTELAND

I've held on for as \_\_\_\_\_ as I can  
For the ones that I had to \_\_\_\_\_  
I've been \_\_\_\_\_ every day of my life  
If she wants, \_\_\_\_\_ could take me this time

This world is a wasteland where nothing can  
grow

I used to have strength, but I ran out of hope  
I know it's my fault that I'm here all alone  
This world is a wasteland  
Please let me go, go, go, go, go, go, go

If I could just \_\_\_\_\_ my head down and rest  
If there was nothing to \_\_\_\_\_ or protect  
Maybe then I could finally be \_\_\_\_\_  
Maybe death is like falling \_\_\_\_\_

This world is a wasteland where nothing can  
grow

used to have strength, but I ran out of hope  
I know it's my fault that I'm here all alone

This world is a wasteland

I'm not ready to \_\_\_\_\_ it

Don't go \_\_\_\_\_ goodbye

There's a \_\_\_\_\_ in changes

And I wanna \_\_\_\_\_

This world is a wasteland where nothing can  
grow

If it weren't for you, I'd be here all alone

I know in my heart this is where we belong

This world is a wasteland

Don't let me go, go, go, go, go, go, go

Don't let me go
