

NUMBERS

Listen and complete the numbers. Then, do the sums.

1 $12 + \square = \square$

5 $11 + \square = \square$

2 $14 + \square = \square$

6 $\square + 10 = \square$

3 $\square + 18 = \square$

7 $22 + \square = \square$

4 $\square + 17 = \square$

8 $\square + 11 = \square$

Match the numbers with the words.

forty

24

30

forty-one

twenty-four

35

41

fifty

thirty-five
