

**a. Listen and fill in the gaps.**

**Tour guide:** OK, thanks everyone for joining today's (1)\_\_\_\_\_. I hope you enjoyed the dragon boat ride from Minh Mạng's (2)\_\_\_\_\_. Please bring all your things when you exit the boat. This is the final stop of the day, but it's my favorite on the tour. This is the (3)\_\_\_\_\_ of the Celestial Lady, or Thiên Mụ as we say. Located close to the Huong River, the pagoda is the (4)\_\_\_\_\_ of Hué. There's an old story about an old lady who appeared on the hill. She told people that there would be a temple on the hill where they could pray for the country to become richer. After hearing what the old lady had said, Nguyễn Hoàng ordered the construction of a temple. However, the tower came later. Built in (5)\_\_\_\_\_, the twenty-one-meter tower was made on the orders of the ruler Thiệu Trị. At the temple, you can walk around the gardens or go inside and see some treasures. Be sure to check out the (6)\_\_\_\_\_ bell. It can be heard from over (7)\_\_\_\_\_ kilometers away! And remember to see the turtle (8)\_\_\_\_\_ which is a symbol of long life. One more thing before you go. Many people live and work at the (9)\_\_\_\_\_. Please respect them by speaking quietly. We'll meet back here in (10)\_\_\_\_\_ minutes to take the bus back to our office.

**b. Now, listen again and number.**
