3. **Read the following text and answer the questions.**

What is a consumer society?

A consumer is a person who buys things, and a *consumer society* is a society that encourages people to buy and use [1]goods. Some people think that a consumer society provides people with **better** lives. People in consumer societies tend to live **more comfortably**. They eat a **wider** variety of food. They go to restaurants **more often**. They also buy a lot of products, maybe more than they need.

Products such as TVs, cellphones, and computers used to be [2]luxuries. Today people can buy these things **more easily than** ever before. The marker for these goods is growing **faster** all the time. Consumer societies encourage people to buy **bigger** and **better** products. For example, **"smarter"** phones come out every year. In a consumer society, people are often buying **newer** and **more advanced** products. This creates a lot of waste. Nowadays, many people are thinking **more seriously** about the effects of consumer societies on the environment, and they are trying to become **more responsible** consumers.

[1]**goods**: items that can be bought or sold
[2]**luxury**: something that is expensive but not necessary

1. Everyone agrees that consumer products improve their lives	T	F
2. These days, consumer goods are hard to find.	T	F
3. Many people want luxury products these days.	T	F
