You	Vosotros	os	vuestro(s)	suyo/suya
They	Ustedes	los/las - directo les - indirecto	su(s)	Suyo(s)/ suya(s)

Use these charts above to help you. Tell me about your friend Soto and you or your family. Tell me about what you do every day and at the weekends (you can make it up!). I want you to use third-person simple (the -s rule). Use adverbs of frequency (sometimes, usually, always, never), daily routines, and your school subject vocabulary.

Describe our friends, use your descriptive words AND your clothing vocabulary.
