Socializing

Decide whether each statement is true or false. Pay attention to the context and meaning of the phrases.

1. If you start a rumor, you spread unverified information about someone.
2. If you praise someone, you criticize them harshly.
3. If you protect someone, you try to keep them safe from harm.
4. If you run out of something, you still have plenty of it left.
5. If you hint at something, you state it clearly and directly.
6. If you take something for granted, you fail to appreciate its value.
7. If you avoid a situation, you try to stay away from it.
8. If you are inspired by someone, they motivate or influence you positively.
9. If you disapprove of something, it means you don't support or agree with it.
10. If you think outside the box, you follow traditional methods and ideas.
11. If you take revenge, you forgive the person who wronged you.
12. If you are prejudiced against someone, you judge them fairly based on facts.
13. If you commit a crime, you are breaking the law.
14. If you underestimate someone, you believe they are less capable than they actually are.
15. If you make amends, you make sure that the problem is solved and there are no hard feelings.
16. If you change your attitude, your thoughts and behavior remain exactly the same.
17. If something puzzles you, it is difficult for you to understand.
18. If you flatter someone, you give them constructive feedback.
19. If you trade something for something else, you keep both items.
20. If you change your mind, you stick to your original decision.
21. If you humiliate someone, you make them feel proud and respected.
