I HAD SOME HELP

You got a lotta nerve, don't you, baby?
I only hit the curb 'cause you made me
You're tellin' all your friends that I'm crazy
Like I'm the only _____
Why'd you throw them stones if you
Had a wild hair of your own or two?
Livin' in your big glass house with a _____
I thought you knew

I _____ some help
It ain't like I can make this kinda mess all by myself
Don't act like you ain't help me pull that bottle off the shelf
Been deep in every weekend if you couldn't tell
They say, "Teamwork makes the dream work"
Hell, I had some help (Help)

had

You thought I'd take the blame for us a-crumbling
Go 'round like you ain't guilty of somethin'

Already

_____ lost the game that you been runnin'
Guess it's catchin' up to you, huh
You think that you're so innocent
After all the shit you did
I ain't an angel, you ain't heaven-sent
