

DAILY ROUTINE

Hello! My name is Emma, and I'm 15 years old. I live in a small town, and I go to school every day. My day starts at 7:00 AM. I wake up and get out of bed at 7:15 AM. I brush my teeth and have breakfast. For breakfast, I usually eat cereal with milk and drink orange juice.

At 8:00 AM, I leave my house and walk to school. My school is not far; it takes about 15 minutes to walk there. School starts at 8:30 AM. We have four lessons before lunch. At 12:30 PM, I eat lunch in the school canteen. I usually have a sandwich and fruit.

After lunch, I go back to class for two more lessons. School finishes at 3:30 PM, and I walk home. When I get home, I relax for a bit and do my homework. In the evening, I have dinner with my family at 7:00 PM. After dinner, I watch TV or read a book. I go to bed at 10:00 PM.

Multiple Choice Questions:

1. What time does Emma wake up?
