

Three great campsites to try this summer

Sandy Bay

This campsite is on an excellent beach, and has its own surfing school with special prices for campers. You can also learn to windsurf and sail there. The sea is safe for swimming, so it's a great place for families. The large swimming pool is great in summer, and has a wide area of grass around it. Its small supermarket has long opening hours. It doesn't matter what size tent you bring, as the campsite is large and you won't be too near your neighbors!

High Wood

There are lots of activities you can do at High Wood campsite, from fishing to cycling, and they'll lend you any of the equipment you need. It's not as large as some campsites, but it's clean and modern. It has a fantastic pool with a roof window which can open and close. There's also a special area where you can watch films or dance under the stars to local bands. For food shopping, try the shop in the nearby village.

Black Lake

The wonderful thing about Black Lake campsite is walking up in the morning and seeing the beautiful mountains all around you. You don't have to bring your own tent – there are some already there you can pay to use. There's lots to do – you can swim in the lake or walk in the forest. And don't forget to bring your mountain bike with you! If you want to cook for yourself, the shop in the next village has a good variety of food.
