Complete the sentences with the correct past form of the verbs in brackets.

1. Last week, I _____ (design) a new 3D lamp for a client.
2. I _____ (go) to the workshop early in the morning.
3. First, I _____ (prepare) the 3D model on my computer.
4. Then, I _____ (have) some problems with the printer, but I fixed them.
5. I _____ (adjust) the printer settings carefully.
6. After that, I _____ (start) the printing process.
7. The machine _____ (work) for five hours without stopping.
8. While I waited, I _____ (clean) the workspace.
9. Later, I _____ (get) the finished object and checked the quality.
10. Finally, I _____ (pack) the lamp and sent it to the customer.

B. Rewrite the sentences in the negative form.

Example: *I prepared the 3D model on my computer.* → *I **did not** prepare the 3D model on my computer.*

1. I printed a new lamp design yesterday. →_____
2. The printer worked without any errors. →_____
3. I had a lot of filament in stock. →_____
4. The client got the lamp on the same day. →_____
5. I finished the project in the afternoon. →_____

C. Make questions using the past simple.

Example: *You cleaned the workspace.* → *Did you clean the workspace?*

1. You designed a new lamp for the store. →_____
2. The machine printed the object correctly. →_____
3. You had problems with the filament. →_____
4. The customer got the lamp on time. →_____
5. You tested the final product before sending it. →_____
