## Family get-togethers

Once a year, my whole family meets at my parents' house for a weekend of fun, music, and great food. We're a big family, and there are four generations of us!

In the morning, we often <sup>1</sup> \_\_\_\_\_ games with the children in the park. My brother Ben has a boy and a girl. My niece and nephew are crazy about soccer, so we usually play that.

In the afternoon, we <sup>2</sup> \_\_\_\_\_ for a walk or stay at home. We sit in the backyard, and we sometimes <sup>3</sup> \_\_\_\_\_ things with the children. My sister-in-law Lois teaches five-year-olds, and she always brings lots of paper and pens.

In the evening, we <sup>4</sup> \_\_\_\_\_ dinner. Food's always an important part of the weekend! Our food's very international – my grandmother's Brazilian, my dad's Colombian, my sister-in-law's British, and my husband's Polish. We often have Mexican food because we all love it.

We never <sup>5</sup> \_\_\_\_\_ television – we prefer to talk. My Uncle Paul and my cousins Joe and Megan play music. Uncle Paul and Joe play the guitar, and Megan sings and plays the piano. They're really good.

I don't <sup>6</sup> \_\_\_\_\_ my family often because we all live in different parts of the country, but I love these weekends. They're really special.

**5**  3.4 Listen to Ben and match the activities with the people and the frequency expressions.
