

Alanis Morissette - Hand in my pocket

Listen to the song, and find the 10 mistakes!

Then listen again, can you identify the actual adjective used?

Sometimes the actual adjective is a synonym, sometimes an antonym (like in the example)

I'm broke, but I'm happy
I'm ~~rich~~, but I'm kind
I'm tall, but I'm healthy, yeah
I'm high, but I'm grounded
I'm sane, but I'm overwhelmed
I'm lost, but I'm optimistic, baby

poor

And what it all comes down to is that everything's gonna be fine, fine, fine
'Cause I've got one hand in my pocket and the other one is giving a high five

I feel drunk, but I'm serious
I'm old and I'm underpaid
I'm fresh, but I'm working, yeah
I care, but I'm restless
I'm here, but I'm really gone
I'm wrong and I'm sorry, baby

And what it all comes down to is that everything's gonna be quite alright
'Cause I've got one hand in my pocket and the other is flicking a cigarette

And what is all comes down to is that I haven't got it all figured out just yet
'Cause I've got one hand in my pocket and the other one is giving the peace sign

I'm occupied, but I'm focused
I'm green, but I'm smart
I'm hard, but I'm friendly, baby
I'm happy, but I'm laughing
I'm courageous, but I'm chicken shit
I'm sick, but I'm ugly, baby

And what it all boils down to is that no one's really got it figured out just yet
Well, I've got one hand in my pocket and the other one is playing a piano

What it all comes down to, my friends, yeah is that everything's just fine, fine, fine
'Cause I've got one hand in my pocket and the other one is hailing a taxi cab
