Unit round-up

5 Complete the text with one word in each gap. The first letter has been given.

That's entertainment!

Technology is often criticised, but it has its advantages. For example, it has (1) m_____ a huge difference to home entertainment. If you have access to a television, there are so many (2) c_____ to choose from, especially when you include (3) s_____ TV and things that you can watch on (4) d_____. If all you want to do is chill out at home, you can find (5) p_____ to suit all tastes, from documentaries to music and (6) r_____ shows.

Many of us like to take a (7) b_____ from home entertainment and go out to the cinema. Audiences may have dropped in some countries, but new technology means better sound and film quality, and it can be a great chance to (8) h_____ out with friends. But why not do something unrelated to technology for a change? Just (9) t_____ part in an activity with other people puts the focus back on communication and friendship. In a recent survey, teenagers were asked, 'When did you last (10) h_____ a good time?' The majority described being with friends, talking and laughing – no technology in sight.
