school    toy shop    cinema    bookshop    café

1 café

In our town, the school is on Green Street. It's in front of the train station. There are a lot of shops on Green Street. Next to the school, there's a toy shop. There's a bookshop between the toy shop and the cinema.

There's a park behind the shops and the cinema. In the park there's a playground and a café – the ice cream there is great!
