VOCABULARY SECTION

4. Choose the names of the pictures.

READING SECTION

5. Read the text. Choose True or False.

Companies now have talking robots for grandparents. Sometimes, our grandparents do not live with other people. They do not talk to other people every day and they don't see their friends often. This is a problem, and the new robots can help.

Elena Cho is an example. She is an old woman. She doesn't live with her family. But now, she has a talking robot. It can tell her about new books or interesting movies. Also, it can play music for Elena. Her robot knows her favorite songs and singers.

Elena Cho says, "My robot is not a friend, but I like it very much."

a) Some grandparents do not live with other people. _____
b) Elena Cho's robot plays her favorite music. _____
c) New robots can help grandparents. _____
d) Elena doesn't like her robot. _____
e) Elena Cho's robot goes to the movies with her. _____
