

Contractions

Instructions: write the long form of the contraction.

Count on me BRUNO MARS

If you ever find yourself stuck in the middle of the sea
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see
I'll be the light to guide you

We find out what we're made of
When we are called to help our friends in need
You can count on me like one, two, three, I'll be there
And I know when I need it
I can count on you like four, three, two and you'll be there
'Cause that's what friends are supposed to do, oh, yeah

Ooh, ooh, yeah, yeah
If you're tossin' and you're turnin' and you just can't fall asleep
I'll sing a song beside you
And if you ever forget how much you really mean to me
Every day I will remind you, oh

We find out what we're made of
When we are called to help our friends in need

You can count on me like one, two, three, I'll be there
And I know when I need it
I can count on you like four, three, two and you'll be there
'Cause that's what friends are supposed to do, oh, yeah
Ooh, ooh, yeah, yeah

You'll always have my shoulder when you cry
I'll never let go, never say goodbye

You know you can count on me like one, two, three, I'll be there
And I know when I need it
I can count on you like four, three, two and you'll be there
'Cause that's what friends are supposed to do, oh, yeah
Ooh, ooh

You can count on me 'cause I can count on you
