My dream job is one that pays me a good salary! I don't mind working under pressure. In fact, I'm motivated by deadlines and I like being busy all the time. I don't mind sitting at a desk all day. I like working alone and I prefer dealing with numbers than dealing with people. I'm happy to work long hours as long as I get long holidays, too!

Jack

My dream job is one where I can use my imagination and get my hands dirty. I absolutely love making delicious dishes that look beautiful and that people enjoy eating. Lizzie

My dream job is one that pays me to do something I absolutely love – exercise! I'm not keen on a 9–5 job in an office – I prefer the idea of working flexible hours. I can't stand sitting around all day and I prefer the idea of working in different places – inside and outside. I'm motivated by helping other people achieve their goals and I love seeing the difference I can make.
