

Read the text to choose the correct answer from a , b , c and d:

We live on the Earth. It provides us with all the resources to live. It gives us food to eat, water to drink, animals and plants for our other uses, pure air to breathe and land to stay. We should save the Earth. There are many things that we can do to save the Earth. We can keep the air clean by walking more and using bikes instead of driving cars. We can also plant more trees which helps make the air **pure**. We mustn't waste water because **it** is very important for people, animals and plants.
