The Lost Letter

Emma worked at a small café in the city. Every morning, she saw the same man sitting at the corner table, reading a book. He always ordered black coffee and smiled at her.

One day, Emma found a letter under his cup. It said:

"Dear Emma, I see you every day, but I am too shy to talk to you. Would you like to have dinner with me this Friday at 8 p.m. at *Le Petit Bistro*?"

Emma looked at the man, but he had already left. She felt excited and nervous. On Friday, she wore her best dress and arrived at the restaurant on time.

She waited and waited, but he never came. Confused, she went home. The next morning at work, she saw the man again. He smiled and said, **"Good morning, Emma!"**

Emma frowned. **"Why didn't you come last night?"** she asked.

The man looked surprised. **"Come where?"**

Emma took the letter from her pocket and showed it to him. He read it and laughed.

"This isn't my letter," he said. **"I never wrote this!"**

Emma blushed and smiled. Maybe her secret admirer was still out there.
