

Stylish or not? What do you think?

She's very trendy. She's wearing a ¹hat / scarf / top on her head, sunglasses and she's got a big ²hat / scarf / sweater round her neck. It's difficult to see what kind of ³top / jacket / suit she's wearing under her leather ⁴jumper / coat / jacket – is it a thin ⁵skirt / jacket / jumper? I don't think it's a ⁶T-shirt / suit / tracksuit. She's wearing

very close-fitting ⁷trousers / tracksuits / dresses – I think they are black jeans. On her feet ... are they ⁸jeans / shoes / socks or ⁹trousers / tracksuits / trainers? It's difficult to say for sure. They aren't boots. They're too small.

She looks cool – and she knows it!

8/10

He looks good. He's wearing a dark ¹⁰skirt / suit / sweater. It isn't too tight or too loose. The jacket and trousers fit him well. He's wearing a white ¹¹shirt / coat / skirt and a dark ¹²scarf / top / tie. His shoes are black. We can't see his ¹³boots / trainers / socks – I'm sure they are dark.

He is stylish and smart. 9/10
