

**A** Read the article about a book lover. Fill in the blanks with the expressions in the box.

she added    she concluded    ✓ she explained    she recalled

Eunjoo Park has more than 5,000 books in her one-bedroom apartment. "I can't live without my books," she explained. Her living room and bedroom are filled with bookshelves, and she is always buying more shelves. "It's better to buy more shelves than get rid of any books," \_\_\_\_\_ .

"Once, I decided to sell some books in a street sale," \_\_\_\_\_. "When a woman came by and tried to buy a book, I couldn't sell it to her! I took my books back inside and put them away."

Now she knows better. "I just refuse to get rid of my books," she told me. "There seems to be only one solution – I just have to get a bigger apartment," \_\_\_\_\_ .
