

READING**A Busy Nurse and a Relaxed Student**

Anna is a nurse. She works at a hospital and takes care of patients. Every day, she checks the blood pressure of her patients, gives them medicine, and helps doctors during examinations. She wears a white uniform and spends many hours at the hospital. She loves her job because she helps people feel better.

Tom is a university student. He studies history and attends classes in the morning. In the afternoon, he does his homework or reads books in the library.

Today is Sunday, so Anna isn't working. Right now, she is having a cup of coffee at home and is reading a book. Tom isn't studying today either. He is watching a football match with his friends. They are enjoying their free time.
