For each question, write the correct word in the space provided on your answer sheet.

It's a Chore!

Doing house work never ends. (0) On a household, a mother is usually responsible in housekeeping, whether (9) it is a stay at home mother or a career woman. There is no magic which enables you to have a clean and tidy house without (10) lifts a finger. There are so many tasks that one person simply cannot do all the jobs alone (11) so the list starts again the next day. How do you tackle the chores? Nobody likes doing them (12) and it is part and parcel of life if you want to be clean and hygienic. The best solution is to hire a daily help. (13) Unless you hardly can afford it, enlist the help of your family members. Divide the duties equally or have them on rotation. You can also make a list of priorities. Chores work that should be done every day (14) includes cleaning, cooking, laundry and dishes. Procrastination will cause work to pile (15) over, resulting in more time required to complete it. So, do your part to prevent others enduring all (16) that mopping, dusting, sweeping, and tidying!
