### Find Mr Google!

Most people with the exception of the very young and the very old, usually (0) knew who Mr Google is. Just (9) asks anything and he will provide a variety of answers (10) and you to select and get the necessary facts. There are even pictures, images and photographs. You can see how a rare animal or flower looks like. Just type in the key word and voila, you (11) has access to what you would like to know. There is an abundance of information available on the Internet (12) but Google is one of the commonly used search engines to help you find the required facts. It is a powerful search engine which can process your search in a blink of (13) - eye. It can be the search engine for most of us but it (14) have one disadvantage. It can track your whereabouts. For people who wish to maintain their privacy, (15) we can use search engines like Duck Duck Go or StartPage.com which have been created for that purpose. Nevertheless, some other resources can do a better job (16) on finding certain information. Try Yahoo!, Bing, Lycos and GoWatchIt for those who like films.
