

1 Look and write the edible plant part in each picture.

stems
seeds
leaves
fruit
~~roots~~

beetroot: roots

spring onion: _____

spinach: _____ sesame seeds: _____ pears: _____

2 Read and circle the correct words.

To: penny@megamail.co.uk Subject: Dinner!

Dear Penny,

Tonight, we're having a nice dinner. There's a delicious salad with spinach and lettuce (1) **stems** / **leaves**. There's also a delicious soup with asparagus (2) **roots** / **stems**. We have some chicken with pumpkin (3) **seeds** / **leaves**. We also have a salad with (4) **roots** / **fruit**: carrots and beetroot. There's also a glass of (5) **fruit** / **stem** juice for me with strawberries and mango – my favourite!

What's for dinner at your home?

Mark

3 Think of a plant part. What food comes from it? Write about it.

Leaves are part of a plant. Lettuce comes from this part.

LIVEWORKSHEETS
