My dad

My dad works in the centre of town and we live in the country. He's got a fantastic, old car but does he drive to work? No, he doesn't. Every day he goes by train. His car stays at home! He loves it! He spends hours every Saturday and Sunday with it. He cleans it, he repairs it. He even talks to it! We can't touch it. It's his main hobby and definitely his best friend!

My brother, Luke

Our house isn't very quiet in the evenings. My brother, Luke, enjoys playing the guitar in his room. He belongs to a school band. He thinks that's awesome. Sometimes they all come and play in his room! They're good and they often play at parties and earn some money. How much do they earn? A lot! Lucky Luke! He's got an electric guitar now. It's really loud, and my dad isn't happy about that.

My sister, Hannah

I like reading books and watching films, but my sister, Hannah, doesn't do normal hobbies like those! She loves spending money. She goes shopping every day! Sometimes she goes to the shops after college. Sometimes she buys things online. Her room is full of clothes, and she collects shoes – nearly a hundred pairs! Where does she get the money?
