Joe's New Beard

Joe came down to breakfast wearing a big beard. It was long, curly, and thick.

"What do you think of my beard?" said Joe.

"That's the best beard I've ever seen," said Dad.

"Now that I have a beard, I must be too old to go to school," said Joe.

Mom felt the beard. "This beard feels like string," she said, smiling.

"OK, I made it," Joe said with a grin. "It was worth a try! I'll get my school bag."
