

## My Summer Holiday at the Beach

Last summer, I went on holiday to the beach with my family. We stayed at a nice hotel by the sea. Every morning, we had breakfast on the balcony. We could see the ocean from there. The weather was nice and sunny every day.

At the beach, my brother and I played in the sand. We built a big sandcastle. Our parents took pictures of it. In the afternoon, we swam in the sea. The water was cool and clear. We also collected seashells. My sister found a very big shell. She was very happy.

In the evenings, we ate dinner at different restaurants. My favourite was a place with pizza and ice cream. After dinner, we walked along the beach. The sky was full of stars. It was very beautiful.

We also went on a boat trip one day. We saw dolphins swimming in the water. It was amazing! This made our holiday very special.

I had a lot of fun on this holiday. I hope we can go there again next year.
