

**MC:** Hello and welcome to the (1)\_\_\_\_\_ life Podcast. Today let's find out how our first year students are doing. Please say hello to our audience.

**Barbara:** Hey, I'm Barbara.

**Kenneth:** And I'm Kenneth. How are you doing?

**MC:** Is University more (2)\_\_\_\_\_ than high school?

**Barbara:** I'm doing pretty okay. I don't think it's more difficult.

**Kenneth:** I'm also doing well because I think you have to be a lot more (3)\_\_\_\_\_. No one reminds you to finish your assignments. You have to play everything yourself.

**Barbara:** Yes, that's true.

**MC:** When I was in my first year, I always had this feeling that I forgot something but could never figure out what it was.

**Barbara:** That definitely happened to me too.

**MC:** And did the things you learned prepare you for (4)\_\_\_\_\_ life?

**Kenneth:** Yes, we learned some skills like (5)\_\_\_\_\_ skills that turned out to be very useful. I remember laughing at the idea of learning how to do grocery shopping or (6)\_\_\_\_\_. But they were the most useful things I've ever learned.

**MC:** And you Barbara.

**Barbara:** We didn't learn such skills in my school. I always eat out but I really need to learn (7)\_\_\_\_\_ because I'm spending way too much on food.

**Kenneth:** Oh, did you learn (8)\_\_\_\_\_?

**MC:** No. Did you?

**Kenneth:** Yes, super help. My teacher Mr. Smith taught me many great tips on how to (9)\_\_\_\_\_ (10)\_\_\_\_\_. Mr. Smith, if you're listening, thank you for saving my life.

**MC:** Great. Now let's talk to our next...
