

Classroom Instructions Dialogue

Teacher: Good morning, everyone! Please sit down and take out your notebooks.

Students: Good morning, teacher!

Teacher: Today, we are going to practice classroom expressions. First, open your books to page 10.

Student 1: Sorry, teacher. Can you repeat that?

Teacher: Sure! Open your books to page 10.

Student 2: Done!

Teacher: Great! Now, look at the exercise at the top of the page. Listen carefully and match the sentences with the correct pictures.

Teacher: Okay, now turn to your partner and compare your answers.

Teacher: Let's check the answers together. Maria, what's the answer for number one?

Maria: "Raise your hand."

Teacher: Excellent! Now, everyone, raise your hand.

Teacher: Well done! Now, for the next activity, work in groups of three and create your own classroom dialogue. You have five minutes.

Teacher: If you need help, just raise your hand or ask, "Can you help me, please?"
