Lost in the (1) ___ pixels on my screen

The world at my fingertips but it feels so (2) ___

Scrolling through the timeline

Seeking validation

But in this (3) ___ world

I'm losing my (4) ___

Captured (5) ___ the filter

Trapped in a virtual haze

Searching for likes and comments to (6) ___ my days

But behind the façade, the (7) ___ grows

In this sea of usernames

No one really knows

[Verse 2]

Artificial intelligence always by my side

Predicting my (8) ___

My needs it can't hide

But in this automated (9) ___

Something feels amiss

Emotions synthesized

Replacing the (10) ___ bliss
