Hello! This weekend I am have many plans. On Saturday morning, I going to the park with my cousin. We are play basketball for two hours. Then, I meeting my friends at the café near my house. We is having lunch together and talking about school. After that, I going to the supermarket with my dad because we need to buy food for dinner. In the evening, I am watching a movie with my family. We watching a new action movie on TV. On Sunday, I going to the library because I need to study for my English test. Later, I meeting my friend Sara to do our homework together. In the afternoon, I am plays football with my team at the sports centre. We are practise for the tournament next month. In the evening, I helping my mum cook dinner. I not going to bed late on Sunday because I has school on Monday morning.
