My best friend is Mia. She is very kind and
always makes me smile. Mia and I enjoy
doing many things together. We play
games, go for walks, and read books. Mia
is also a very good helper. When I need
help with something, she is always there
for me. She is smart and loves to learn
new things. We study together and share
ideas. Mia is always patient and listens to
me when I talk. We have so much fun
when we play outside. Mia is my best
friend because she is caring, fun, and
makes me happy every day. I am so lucky
to have a friend like her.
