Read the passage and answer the questions (1.2 pts)

Visual pollution has a greater effect on people than you may think. Mary remembers when she went to a big city, she was really scared because there was so much graffiti on the buildings' wall. Then she looked up, and she saw lot of power lines over her head. Although they were not dangerous, she still felt unsafe since she thought they might fall down. These things prevented her from enjoying the beautiful sights of the city. She also remembers the time she studied in Melbourne. Once she was so busy with assignments that she did not tidy her room for two weeks. Looking at the messy room caused her so much stress that she did not want to study. Then she decided to clean the room and put her things in their proper places. She also bought a
