HANG OUT 5

UNIT 9 READING

READ THE PASSAGE (PAGE 100 – STUDENT'S BOOK) BELOW AND ANSWER:

Best Computer Models

Compare three of our best computer models. Check out the features and decide which one is best for you.

Model A

Includes speakers

17 in / 43 cm screen

$399

Model A has a keyboard, mouse, and speakers. This desktop computer is not the fastest, but it's great for people who want to listen to music or surf the Net.

Model B

Mouse sold separately

23 in / 58 cm screen

$549

Model B has a keyboard, but the mouse is sold separately. This computer has a large screen and is great for watching movies.

Model C

Includes a free game

21 in / 53 cm screen

$699

Model C has a keyboard and mouse. It's the fastest computer out of the three. It has a large screen and is perfect for people who love to play games.

Exercise 1: True or False

Read the sentences below and write True or False.

	True	False
1. Model A has the largest screen.		
2. Model B is the most expensive computer.		
3. Model C includes a free game.		
4. Model A is the cheapest computer.		
5. Model B is perfect for watching movies.
