

HANG OUT 5

UNIT 9 READING

READ THE PASSAGE (PAGE 100 – STUDENT'S BOOK) BELOW AND ANSWER:

Best Computer Models

Compare three of our best computer models. Check out the features and decide which one is best for you.

Model A

Includes speakers
17 in / 43 cm screen
\$399

Model A has a keyboard, mouse, and speakers. This desktop computer is not the fastest, but it's great for people who want to listen to music or surf the Net.

Model B

Mouse sold separately
23 in / 58 cm screen
\$549

Model B has a keyboard, but the mouse is sold separately. This computer has a large screen and is great for watching movies.

Model C

Includes a free game
21 in / 53 cm screen
\$699

Model C has a keyboard and mouse. It's the fastest computer out of the three. It has a large screen and is perfect for people who love to play games.

Exercise 1: True or False

Read the sentences below and write True or False.

True False

1. Model A has the largest screen.
2. Model B is the most expensive computer.
3. Model C includes a free game.
4. Model A is the cheapest computer.
5. Model B is perfect for watching movies.

Exercise 3: Fill in the Blanks

Best Computer Models

Compare three of our best computer models. Check out the features and decide which one is best for you.

Model	Includes	Screen Size	Cost	Description
Model A	speakers	17 in / 43 cm	\$399	Model A has a keyboard, mouse, and speakers. This desktop computer is not the fastest, but it's great for people who want to listen to music or surf the Net.
Model B	mouse sold separately	23 in / 58 cm	\$549	Model B has a keyboard, but the mouse is sold separately. This computer has a large screen and is great for watching movies.
Model C	Includes a free game	21 in / 53 cm	\$699	Model C has a keyboard and mouse. It's the fastest computer out of the three. It has a large screen and is perfect for people who love to play games.

Complete the sentences with the correct words from the reading passage.

1. Model A has a _____, a keyboard, and speakers.
2. Model B is more expensive than Model A because it has a _____ screen.
3. Model C is the best for people who love to _____ games.
4. Model B does not come with a _____; you must buy it separately.
5. The _____ computer is Model A, which costs \$399.
