G Choose the correct answer.

If this theory about parallel universes (1) correct, it (2) that we're living in more than one universe at the same time. But if that (3) true – if I was doing different things in different universes – (4) about it. And if I (5) about it, how could it be me doing these things? If I (6) the lottery last year in a parallel universe, and decided to sail round the world, how is that 'me'? It doesn't make sense!

And another thing. If I do something, it (7) consequences. For example, if I (8) study, I might not pass my exams. I can't start thinking about different universes where the consequences are different. If I just (9) about the universe I actually live in, then I'm sure (10) okay!
