Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

Artists are people who use materials to create things. Artists make art. There is art in museums. There is art on city streets. There is art on sidewalks and walls. Some art is as small as a thumbnail. Some art is as large as a tall building. Creative things made by human hands can all be called “art.”

Some forms of art are drawing, painting, pottery, photography, designing clothes and buildings, and sculpting. Artists use many **materials** for their art. For drawing, artists use pencils, pens, and crayons. Painters use different types of paint, such as watercolor and oil-based paints. Potters and sculptors use clay. Some sculptors also use metal and wood. Clothing designers use fabric. Architects, people who design buildings, plan their designs on paper or computers. Then the buildings are made with metal and wood. Artists are people who express themselves through their work. Art makes the world a beautiful place. Artists are free to do what they want. We are free to decide whether we enjoy it or not.
