### Javifruver: Land of Vegetables

Javifruver is a fruit and vegetable supermarket. It is located two blocks away from Llano Oriental School in Bosa Carbonel.

This market distributes a wide variety of natural products, including onions, potatoes, spinach, and celery.

The food they offer comes from different regions of Colombia, such as El Llano, Melgar, and the Colombian coast.

With the products you find there, you can prepare many delicious meals, such as bandeja paisa, spinach soup, ajiaco, and more. These dishes are not only tasty but also very nutritious.

In short, Javifruver is a great place to buy fresh food for your healthy meals.

## JAVIFRIVER: LAND OF VEGETABLES

2. Completa las oraciones con las siguientes palabras. Escríbelas en cada línea. **Ten cuidado con la escritura, si tienes un error el sistema lo marcará como ERROR.**

**tasty - regions - wide variety - vegetable - blocks away -  
nutritious - prepare - food - In short - products - Bosa Carbonel -  
natural products**
