    In Canada and the United States, one of the most popular days in the year is Halloween. Halloween is on October 31ˢᵗ. It's a day when some people dress up in strange or unusual costumes. For example, they may dress up to look like an animal, a person from a book or movie or a famous person from history. In some places, children go to school in their Halloween costumes. After dark, many young children put on their costumes and visit their neighbours. They knock on the door and shout "Trick or treat!", then the neighbours give them some candy or chocolate, and the children go on to the next house. Adults also enjoy dressing up for Halloween.

There are usually Halloween parties in the evening and usually there is a prize for the best or most unusual costume.
