Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

If you'd like to improve your English, one thing you can do is to build up your vocabulary. In order to do this, you have io practice a lot. I'm afraid there is not a short cut for this, but there are many effective ways. First of all, you should read a lot. You con rend short stories, comics, newspapers, magazines, etc. depending on your English level. As you read, you can try to guess the meanings of unknown words from the context of the sentence. If you cannot, then look up die definition in a dictionary. English to English dictionary should be your first choice and keep the translator as last.

Another way of building vocabulary is Io watch movies in English which will also help with pronunciation. Try to be **involved** with the language us much as you can. Keep a vocabulary notebook and write down a few words each day. Keep in mind that you have to revise them regularly. In my opinion, to **communicate** with people all you need is words. Even if you just say the words one after another, people most likely will understand what you mean regardless of the order of the words and grammar.

Question 31. What is the main idea of this passage?
A. What we can do to improve our English
B. The difficulties in learning English
C. Problems of learning a second language
D. The best way of communicating in English
