Hi Julia,

My name's Emma Williams and I'm your new pen friend. I'm 13 years old and I live in Sydney, Australia. I've got two brothers and one sister: John is 17, Fred is 15 and Melanie is 10. My favourite sports are volleyball and surfing. I love watching sports on TV, especially tennis! I like playing the guitar, but I can't do it very well. Can you play any instruments? I like music, detective stories and Italian food: I can cook spaghetti very well! I live in a big house with a garden. I've got two dogs. Have you got any pets?

Write me soon.

Emma
